AUTHORS' INDEX

	Page
Aylesworth, M. H.	155
Barker, George W.	399
Barre, H. A.	127
Bell, Harold E.	*85
Bishop, S. W.	245
Black, George L.	*283
Bonsall, R. F.	441
Boynton, Hon. Albert E.	238
Brockett, Norwood W.	174
Browne, E. Earl	20, 58, 94, 134, 212, 250, 330, 366, 408
Carroll, H. N.	195
Chamblin, Clyde L.	442
Clark, Benjamin W.	*98
Courtright, H. H.	439
Creed, Wigginton E.	*162
Cummings, M. L., Jr.	*121
Cyr, Wm. A.	*132, *200, 247, *358
Day, E. W.	*277
Dazey, K. I.	362
Fagan, F. D.	215
Fletcher, L. J.	396
Grunsky, Clotilde	55, *124, 414
Hadley, Dr. Arthur T.	*165
Hartley, V. W.	437
Hodson, Frank	*92
Hoover, Herbert	*289
Keim, Lester H.	364
Kelly, George J.	393
Kreul, A. H.	17
Laing, John A.	202
Landon, F. L.	*484
Leurey, Louis F.	83
Markwart, A. H.	127
McArthur, Mrs. Lewis A.	160
MacGillivray, M. A.	360
McDonald, E. F., Jr.	415
Merrill, Robert S.	140
Mitchell, F. V.	22, 60, 96, 136, 210, 248, 300, 332, 368, 406, 446
Moon, Verne H.	*322
Nelson, H. N.	447
Osier, Joe	64, 108, *141, *215, *255, *337, *451
Parker, Roy A.	216
Rose, Herbert	89
Sem, Dr. M.	92
Sibley, Robert	106
Smith, I. H.	370
Smith, R. E.	52, 431
Snow, Berkeley	45, 233
Sorensen, Royal W.	242
Wilcox, E. A.	*326

	Page
*A Winner's Motto: Keep on Pedaling—by Joe Osier	103
Aberdeen, Wash.—	
Bond Issue Declared Invalid by Superior Court	69
Prohibited From Selling Municipal Hydro Bonds	457
To Use Floating Power Plant for Dredging	184
Accounting Problem Questions Answered by Expert	25, 63, 99, 139, 215, 334, 370
Adoption of New Term for Convenience Outlet Discussed	422
Aerial Mail Service From Coast to Coast, Editor Emphasizes Importance of	43
*All Records Broken in Construction of Sacramento Steam Plant—by Clotilde Grunsky	55
American Association of Engineers Holds Annual Banquet	34
American Falls Reservoir Planned	343
A.E.S.C. Year Book Is Published	110
A.I.E.E—	
*Convention Delegates Visit Points of Interest in Vicinity of San Francisco	306
*Discusses Problems of Engineers at its Pasadena Convention	317
*Expects Large Attendance at Pasadena Convention	261
Portland Section Meets	308
America Leads in Electric Brass Melting	133
American Mining Congress to Consider Relation of Electricity to Mining	106
American Society of Civil Engineers—Discusses Colorado River Problems	32
American Power & Light Company Acquires Arizona Utility	454
†An Editorial for Electrical Contractors	192
*An Improved Electric Rotary Oil Well Drilling Device—by Lester H. Keim	364
Anacortes Grants Utility Franchise	72
Anaheim Voters Reject Municipal Power Project	341
†And We May Have Electragists in California	230
†Anyway—May the Best Man Win	229
Apparatus Bureau Makes Plans for Coming Year Study	262
Appliance Directories	292
Appliance Distribution in Seven Small Pacific Coast Cities	271
Application for Dam Site on Mokelumne River Is Made	109
Applications for Permits to Appropriate Water Filed With California Division of Water Rights	260
Arapahoe Power & Light Company Has Extensive Development Program	68
Are Electrical Dealers Making the Most of Radio?—by E. F. McDonald, Jr.	415
Arizona Republican Nominee for Governor Favors Compact	257
Arizona Voters Reject Colorado River Compact Backer	378
Arkansas River Possibilities Are Subject of Report	71
Associated Engineers of Spokane Addressed by Dean at Weekly Luncheon	345
Attitude of Federal Power Commission Toward Municipalities Defined	321
*Attractive Fan Window Produces Excellent Results	99
Australia Has Bitter Taste of Public Ownership	4

B

	Page
Baker River Permit Issued to Washington Utility	106
Baker River Line Construction Partly Completed	455
Baker River Project Approved by Directors of Puget Sound Power & Light Company	147
†Barnum Was Not Always Right	351
†Be Careful—The Water and Power Act Needs Only a Majority Vote	230
Bear River Company Applies for Permit	109
Better Home Lighting Campaign Gains Headway in Denver	341
Better Home Lighting Campaign Plans Completed in Spokane	346
Better Public Relations by Telephone—by R. F. Bonsall	441
*Better Service for the User of Electrical Appliances—by M. A. MacGillivray	360
Bill to Abolish Oregon Public Service Commission Fails	66
†Birds of a Feather	231
†Bone Bill Meets Same Fate as Other Radical Measures	351
Bone Bill Petition Signatures Amount to 62,533	66
Bone-Erickson Bill	174
Bone "Free" Power Bill, The	179
Bone Free Power Bill Defeated by 66,000 Majority	376
Books and Bulletins	33, 71, 109, 147, 184, 223, 261, 307, 345, 421, 459
British Columbia Electric Railway Company—	
Plans Extensive Underground System for Vancouver	144
To Ascertain Bridge River Power Development Possibilities	69
British Columbia Home Lighting Campaign to Open Nov. 15	305
British Columbia Towns Consider Hydro Development	345
Bryant Electric Company Redesigns Outlet Box Receptacle	102
Building Extra Profits With Non-Electrical Lines	450
*Business Honor Banner Hoisted to Halyard—by Joe Osier	337
Byllesby Company Forms New Utility Holding Company	381

C

	Page
†California and Quebec Vie for First Honors	77
†California and the National Farm Survey	391
California Association of Electrical Inspectors Holds Meeting at Long Beach	147
California Electrical Cooperative Campaign—	
*Announces June Bride Prize Winners	64
*Plans for Better Lighting	183
Plans for 1925 Outlined	422
Semi-Annual Report Published	109
California Industries Exposition to Be Held Oct. 18 to Nov. 1	110
*California Institute of Technology's Million-Volt Laboratory—by Royal W. Sorensen	242
California Lighting Contest Progress Report Issued	380
California Oregon Power Company Completes High Tension Line	417
California Oregon Power Company Files Applications for Water Appropriation in Oregon	260
California Oregon Power Company Issues Annual Report	71
California Press and Power Shortage	80
†California Seems to Have Caught an Expensive Fish	353
California State Association of Electrical Contractors and Dealers Holds Annual Convention	252
*California State Association of Electrical Contractors and Dealers Holds Quarterly Meeting	62
California State Association of Electrical Contractors and Dealers to Hold Annual Convention at Santa Cruz Sept. 19-21	138, *186
California State Railroad Commission Holds $16,000,000 Sufficient for Power Bureau	67
California Telephone Association to Meet at Santa Monica	220
California Water and Power Act	177
California Water and Power Act, Comments on—by Hon. Albert E. Boynton	238
California Water and Power Act Condemned by Electragists	340
California Water and Power Act Cost Was $145,668.41	458
California Water and Power Act Initiative Petitions Filed	33
California Water and Power Act Overwhelmingly Defeated	376
California Water Situation Is Analyzed by Commission	104
California Water Survey Is Nearing Completion	378
California Wire & Cable Company to Erect New Plant	420
California's Tie-in With the Better Home Lighting Campaign	208
†California's Water and Power Shortage	39
Camp Cooperation IV Plans Are Being Formulated	110
†Campaign for Better Lighting, The	116
Canadian Pacific Railway May Be Electrified in Mountains	70
†Capitalizing the Better Home Lighting Contest	390
*Case Against Political Ownership, The—by M. H. Aylesworth	155
Case of the People of California vs. the Water and Power Act	169
Central Station Customers' Data Book Published by Electrical World	142
*Central Station Energy at Work in Utah Coal Mines—by M. L. Cummings, Jr.	121
Changes Announced in Salt Lake Wiring Ordinance	25
*Changes in Personnel of Edison Operating Department	344
China Boss Writes Power Company "Him Copy Meter Wrong"	139
City of Santa Cruz Applies for Power Site	180
City of Scio, Ore., to Sell Its Municipal Power Plant	221
Civic League Urges Separation of Water and Power Bonds	30
Civil Engineers Discuss Colorado River Problems	32
†Closer Attention Should Be Paid to the Extension of Credit	79
*Coast Counties Gas & Electric Company, Santa Ana, Exhibits Model Electric Kitchen at County Fair	412
Coast Outlet, The	*20, *58 *94, *134, *210, *248, 300, 330, 366, 406, 442
Code Committees Established in Seventy-One Cities	214

Page

Colorado Dam Sites Being Surveyed 258
Colorado Light & Power Company Plans to Double Steam Generating Equipment 108
Colorado Power Company Makes Changes in Commercial Department 146
Colorado Power Company Presents Annual Report 69
Colorado Public Service Company Completes Campaign for Customer Ownership Securities 70
†Colorado River Again Arizona's Political Football 229
Colorado River Problems Discussed by A.S.C.E. 32
Colorado River Projects, Federal Action May Be Taken on 416
Colorado Springs, Colo., Purchases Colorado Springs Distribution System 142
Colorado Springs Light, Heat & Power Company May Refuse City Offer for Distributing System 104
Colorado Springs Property, Offer Made for 220
Colorado Springs Sells Bonds for Purchase of Light Plant 380
Colorado Utilities Commission Enjoins Municipal Plant 66
Columbia and Salt Lake Basins Are Basis of Water Report 455
Columbia River Power License Action Delayed 108
